

FreshMinti has a popular taste and will bring new consumers to your Starbucks shops. It is anticipated your revenue will increase by 20% or more.

Hot tea sales have been dropping, FreshMinti will reverse this trend and generate a magnetic pull on hot tea enthusiasts.

Competitive edge. Starbucks shops will have advantage over competition thanks to exclusive rights to retail FreshMinti.

No upfront or inventory costs for Starbucks shops. Dedicated fridge is provided. FreshMinti pre-filled cups are delivered and expired FreshMinti's are returned.

FreshMinti

FreshMinti is game changing the coffeeshop business by introducing fresh mint tea that is kept refrigerated before consumption.

Proven concept. FreshMinti comes in regular paper cups and requires only pouring of hot water.

FreshMinti's ingredients are fresh mint leaves and de-bittered and hydrated green tea. These ingredients are well known for extreme health benefits.

Made in UAE from sustainable products.
